

PEACHY CLEAN is a super concentrated deodorant cleaner, odor controller, and air freshener all in one!! **PEACHY CLEAN** contains premium perfumes that leave the wonderful scent of fresh berries behind...even after you use it! Safe and easy to use, non-toxic. **YOU'LL LOVE USING PEACHY CLEAN!**

DIRECTIONS FOR USE

To help remove and control organic odors, or to use as a light duty deodorant cleaner for floors and hard surfaces: add 3 to 4 oz. of **PEACHY CLEAN** per gallon of water and apply directly and thoroughly to the odor source or area to be cleaned. For truly offensive odors, use up to full strength.

As an additive for mopping solutions and rug and upholstery shampoos: Add 2 to 3 oz. of **PEACHY CLEAN** per gallon of mixed solution. Product will not diminish cleaning ability of shampoos, soaps or detergents.

As an air freshener and deodorizer for rooms, cars, etc.: Using a trigger sprayer, spray **PEACHY CLEAN** toward center of room or area needing deodorizing.

WARNING

Causes Serious Eye Irritation
PRECAUTIONS

No smoking. Wash hands thoroughly after handling. Wear eye protection, protective gloves.

If in eyes: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. If eye irritation persists, get medical attention. Store in a well-ventilated place. Keep cool. Dispose of contents/container to an approved waste disposal plant.

Fire fighting Instructions: Use water spray or fog for cooling exposed containers. Exercise caution when fighting any chemical fire. Prevent fire-fighting water from entering environment. **Suitable extinguishing media:** Foam, dry powder, carbon dioxide, water spray, sand.

ADDITIONAL FIRST AID

Never give anything by mouth to an unconscious person. If you feel unwell, seek medical advice (show the label when possible). If **swallowed:** Rinse mouth. Do NOT induce vomiting. Immediately call a POISON CENTER or doctor. If on **skin:** Take off immediately all contaminated clothing. Rinse skin with mild soap and water, followed by warm water rinse. If **inhaled:** Remove person to fresh air and allow person to rest. If in **eyes:** Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. If eye irritation persists, get medical attention.

Precautions for Safe Handling

Wash hands and other exposed areas with mild soap and water before eating, drinking or smoking and when leaving work. Provide good ventilation in process area to prevent formation of vapor.
