

FRESH GREEN liquid odor counteractant combines a fresh fragrance with the power of OCP (Odor-Counteractant Power). This Liquid Odor Counteractant's unique OCP formula is not a masking agent or cover-up perfume. The Liquid Odor Counteractant actually filters out bad odors and allows pleasant scents through.

The Liquid Odor Counteractant effectively counteracts a broad spectrum of malodors in Hospitals, Animal Areas, Nursing Homes, Fire Damage Areas, Hotels/Motels, Kitchens, Bathrooms and any Bad Odor Areas.

DIRECTIONS

GENERAL CLEANING: toilets, sinks, urinals, floors, walls, garbage cans, etc. Add 1 to 2 ounces of Liquid Odor Counteractant per gallon of diluted cleaner.

CARPET CLEANING: add 1 to 2 ounces per gallon of diluted rug shampoo.

SQUIRT INTO: urinals, portable toilets, litter pans, garbage cans, dumpsters, and bed pans.

MIST: add 3 to 4 ounces to a 1 quart trigger sprayer and spray on drapes, in corners, carpeting, or in the air.

FOR BEST RESULTS: When instructions recommend 1 to 2 ounces, initial usage may vary until product familiarity is gained.
