Warning

Causes skin irritation

Causes eye irritation

Wash hands thoroughly after handling. Wear eye protection, protective gloves. If on skin: Wash with plenty of soap, water. If in eyes: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. If skin irritation occurs: Get medical advice/attention. If eye irritation persists: Get medical advice/attention. Take off contaminated clothing and wash before reuse.

FIRST AID

Never give anything by mouth to an unconscious person. If you feel unwell, seek medical advice. **If Inhaled:** Allow victim to breathe fresh air. Allow the victim to rest. **If On Skin:** Wash with plenty of soap and water. Wash contaminated clothing before reuse. If skin irritation occurs: Get medical advice/attention. **If In Eyes:** Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. If eye irritation persists: Get medical advice/attention. **If Ingested:** Rinse mouth. Do NOT induce vomiting. Obtain emergency medical attention.

Precautions for Safe Handling

Wash hands and other exposed areas with mild soap and water before eating, drinking or smoking and when leaving work. Provide good ventilation in process area to prevent formation of vapour.
